UNITED STATES GOVERNMENT

# Memorandum

TO : MR. LENIHAN

DATE: 1-28-64

FROM : MR. BRANIGAN

SUBJECT: LEE HARVEY OSWALD
INTERNAL SECURITY - RUSSIA - CUBA

On 1-27-64 I called SAC Shanklin making reference to DL tel this caption, 1-25-64, wherein DL listed a Stereo-Realist Camera and a Suera-Two Camera among the personal effects of Oswald.

I advised Shanklin that if it had not already been done, investigation should be immediately initiated to determine when, where and how Oswald came into possession of these cameras.

I further pointed out that the property clerk's invoice or receipt of the Police Department, City of Dallas, Number 1192G, lists a Minox Camera. I advised Shanklin that our Laboratory claims that they did not have a Minox Camera and that this item should be a Minox light meter.

I requested that DL resolve whether or not a Minox Camera was among the effects of Oswald.

On 1-28-64 Shanklin advised Inspector Moore that Oswald did not have a Minox Camera; that this was a Minox light meter.

ACTION:

None. DL will submit results of investigation in form suitable for dissemination.
